Village Quilt Unveiled

The 4th September was a memorable day in the village's history when the Ashford Mayor Cllr Callum Knowles and our Parish Chair, Martin Richmond-Coggan together unveiled the Village Quilt.

Sheila Ellis said "it was such a good day and we had lovely weather too! Everything went smoothly, which is always good, everyone that came to the unveiling were offered a glass of wine.

The Mayor was most impressed with our quilt. It looks so good in its home in the Village Hall. High Tea followed which everyone enjoyed. The Shadoxhurst History Club provided details on all the listed buildings itemised on our Quilt, we had a corner to show off some of the items and crafts that we do as a sewing group. There was also a slide show of how and why our Quilt was made.

Our grateful thanks to the Parish Council for giving our Quilt a home. Also grateful thanks to our local Framers Simon Beaugie Picture Frames of Shadoxhurst for donating the frame. I am also grateful to Matt Dowle, Peter Webb, Bernard Howe and David Ledger for actually lifting the heavy framed Quilt into place.

I hope you will all see it in its setting when you visit the village hall, well you can't miss it! We are proud that it is now part of the village. Thank you to all the ladies of the Sewing Club for all their time and effort that they put into the sewing of the quilt as well as helping with the organisation of the unveiling.

Our raffle raised £70, half of which we are donating to a charity close to one of our members hearts, The Debra Charity. If you would like to join our club do get in touch, we are a really friendly, welcoming group that meet once a fortnight on a Thursday night to help each other, work on our

personal projects (be it knitting, quilting, dressmaking, crocheting etc) and generally have a chatter!"

Drainage work on the Recreation field

The company doing the work have at last confirmed they will be working relaying the drainage over the whole field from Monday 11th October for about seven days. This is much needed work, and we apologise for the short-term disruption.

Neighbourhood Watch (NHW) Update

Reported Scams have been fewer in recent months, but they are still being perpetrated by unscrupulous individuals – usually focussing on peoples worries or concerns.

The most recent items reported:-

- Energy Scam Calls (particularly relevant following recent news items on likely price increases over the coming months).
- Fake NHS COVID pass emails and texts (again particularly relevant if you are considering travel abroad).

Latest advice to protect yourself from Fraud is by way of the "Take 5" campaign:-

1. Stop – Take a moment to stop and think before giving out your personal or payment card details.
2. Challenge – Could it be fake? It's okay to reject, refuse or ignore any requests you think seem suspicious (only criminals will try to rush or panic you).
3. Protect – If you believe you've been targeted by scammers, report it to Action Fraud on 0300 123 2040 or at actionfraud.police.uk.

More tips at [Take Five - To Stop Fraud | To Stop Fraud \(takefive-stopfraud.org.uk\)](https://www.takefive-stopfraud.org.uk)

Remember you can report items to the Police via 101 or using the Website (Chat apparently is quicker and easier than using the phone). If you would prefer to remain anonymous then use CrimeStoppers on 0800 555 111 or via their website <https://crimestoppers-uk.org/give-information/forms/give-information-anonymously>. Please include details of any vehicles – make, model and colour, as well as registration plate details.

Call 999 if you feel threatened or in danger – see contact details below for ways to contact the Police in non-urgent situations.

History Club

We have completed the first stage of the document detailing the listed buildings in Shadoxhurst. It was revealed at the quilt unveiling and is currently on display in the village hall.

We are continuing to research the rest of the listed buildings, not on the quilt, and hope to produce a fully completed booklet towards the end of the year. We are also looking at producing a "Now and Then" style calendar for 2023; if anyone has any old photographs of any part of the village, please email a copy egw2@hotmail.co.uk

We are now meeting in person with some Covid procedures in place. We meet in the village hall 7-8.30pm, see Dates for your Diary on the back page. If you would like to join us, or would like any further information on the club, please contact Lis on the email address above.

Ashford Courtside Football Club

Ashford Courtside FC have had a bright start to the season across all of our age groups. All three teams have new match day kits and we would like to thank local sponsor Lance and the Kings Head pub for sponsoring our U13 team.

Our newly formed U7 team enjoyed their first ADYFL tournament last weekend and continue to learn and improve together.

We now move venues for our winter training, but our home ground will remain at Shadoxhurst for our home fixtures. We would like to thank everyone for their continued support and look forward to welcoming you at a home game soon.

Gardening Club

The club has now met twice this year and welcome to our new members. Items discussed have included how to store vegetables and ideas for redesigning a garden space and items to grow in constrained borders.

We have also shared some of the garden produce and seeds collected – if you'd like to join us, the next meeting will be Monday 25th October at 7.30pm in the Shadoxhurst Pavilion (off Hornash Lane).

Let me know if you will be coming along so that I can ensure we have enough space/chairs!

Ashford Borough Update

Our two Borough Councillors are part of the Ashford Independent Group which is the largest opposition group. George Sparks sits on the Planning Committee which is back to meeting monthly. There are still many planning applications being held up by the "Stodmarsh Lakes Nutrient Issue". Due to the many complexities, this may take a couple of years to finally resolve. George is also on the Appeals Committee and the River Stour Internal Drainage Board. He also observes at Cabinet, Audit and Overview and Scrutiny Committees.

David Ledger sits on the Overview and Scrutiny Committee which scrutinises the budget and the many decisions taken by ABC through the year. He also sits on the Local Plan and Planning policy Task Group and has recently been asked to sit on the Climate Change Committee.

The monthly Meet your Councillor drop-in surgeries were cancelled through the Covid 19 crisis. These are being resumed with the first on **13th October**, and then on the 2nd Wednesday of the month at 12.00pm at the King's Head. Contact details for both Councillors are on the back page.
